

# A New Leaf

Personalized organizing solutions for home and small business.

Use this handy CHECKLIST to set up an area for your children to do homework or study. Make make sure that it is clear of clutter, comfortable, well-lit and as quiet as possible.

## HOMEWORK AND STUDY SUPPLIES

- Desk – with keyboard tray and drawers for storage
- Desk Lamp – 100 watts – to prevent eye strain
- Pens, pencils, erasers
- Coloured pencils, markers, highlighters
- Coloured / construction paper
- Blank, graph and Lined paper
- Glue or glue stick
- Correction tape
- Tape
- Scissors
- Stapler and staples
- Ruler
- Calculator
- Computer and printer
- Printer Paper
- Post-It Notes
- Clock or timer
- Dictionary
- Thesaurus
- Other reference materials

Children shouldn't be distracted having to look for these items. If you're limited for space, a rolling cart with drawers is great for storing school and art supplies.
